

# SNACK PROGRAM

## Morning Snack:

Hosting snack is an activity all children look forward to!

- Each classroom has a monthly snack host sign-up calendar.
- The child hosting has the opportunity to shop, prepare and serve their classmates.
- Healthy and nutritious snack options are listed on the sign-up calendar.
- We ask that each child is signed up to provide snack once a month.

## Afternoon Snack:

The school provides healthy snack options for students who stay for afternoon daycare.

### Children with Allergies or Dietary Restrictions:

Please notify the director upon enrollment. If you feel more comfortable, you are welcome to bring individual snack for your child.
