We are excited to offer Camp FVM for preschool and elementary age students!

Camp FVM is open to new students, former students, and siblings. We offer two 4 - week sessions for our campers! Session I is in July and Session II is in August.

A theme will be taught each week in the mornings, along with some time set aside for keeping up with Montessori curriculum. We fill up quickly, so please note on the "Re-enrollment Schedule Form" the weeks and days that you would like your camper to attend. Also, let us know if you will be sending a sibling to our camp. Please feel free to pass on this information to any friends or neighbors who might be interested in sending their children to our fun-filled summer program!
