

Enrollment Information

Summer 2025 & Fall 2025-2026

Fountain Valley Montessori is now accepting enrollment for the upcoming summer and the 2025-2026 academic year. As always, we prioritize our current students and their siblings, ensuring they have first placement in our programs. For students moving up to our preschool or elementary programs, we will conduct individual assessments to determine the best classroom fit and whether they will transition in the summer or fall. Exciting news for our elementary students, you'll find out who your teacher will be on August 15, 2025. Families enrolling in our elementary program please schedule a time with the office to review and sign the Admission Agreement in person. For those not continuing with us next year, the last day of school is June 20, 2025. However, for those joining us for summer, the fun continues from June 23 – June 26, with transition days where students get to explore their new classrooms! Kindly note, the school will be closed on June 27 for Summer Set-up Day.
