

Hello Parents,

What a wonderful month November has been! It was full of fun and good food and things to be thankful for. We learned about the parts of turkey, traveled to North America, and learned about the USA. The children worked on many art projects, including one that was displayed on our hallway board. We ended our month with a friendship feast, and we also made Stone Soup together!

For December, we will hop aboard our plane and visit Antarctica to learn about the animals and the extreme habitat. We will learn about parts of a horse and a reindeer. We will also work on a writing project where we will make a holiday wish list. Parents, be prepared to fill your shopping carts! Along with making fun holiday crafts and projects, the children will be practicing their songs for the upcoming holiday show on Wednesday, December 15th at 10 am. I request you to be on time since we will be starting our show as scheduled.

The preschool children will also have the opportunity to purchase small gifts for their family members from our annual Holiday Gift Shop, organized by the FVM Elementary class. Please be on the lookout for details

Please remember class starts promptly at 9 am so have your children here at 8:45 to give them that much needed transition time. The weather is starting to get colder in the mornings and evenings so please check their supply of extra clothes to make sure they have appropriate extra clothing. Please label all jackets.

We look forward to seeing you all at the show!

Ms. Marian & Ms. Veronica
