

Room 3 -Ms. Bea and Ms. Linh

Hello Parents,

Hope you had a restful and enjoyable Thanksgiving break!

We enjoyed November as we celebrated with our Harvest feast and made our delicious Stone soup, while we also focused on what we were thankful for. I thoroughly enjoyed listening to the children innocently talk about what they appreciate the most! They were excited to visit some important landmarks of the United States as we learned the names of the 50 states by signing the 50 states song. We also talked about transportation and all the fun ways to travel from place to place. They were surprised to find out that some animals are used as means of transportation!

December will be a fun and busy month. We will visit the continent of Antarctica and the cold Arctic region in the north. We will discover some of the most beautiful animals native to the coldest places on earth, one of them being the penguin. We will learn about the parts of a penguin and about the different kinds of penguins that inhabit that continent. We will make our room look festive and beautiful for the season with our art projects! We will learn about musical instruments and instrument families such as strings, woodwind, brass, keyboards, and percussion. We will enjoy listening to the beautiful sounds of Ludwig Van Beethoven as he will be our composer of the month. The children will also listen to holiday songs and practice for the Holiday Show. For our Spanish lesson we will be learning some terms for popular winter clothing. Looking forward to a fun festive month.

Sending warm wishes as we begin the Holiday Season!

Ms. Bea and Ms. Linh
