

February Newsletter

Welcome to the month of Valentines and sweets treats! It is hard to believe that our first semester progress reports have been distributed already and we are on to the final half of the school year. The children have been working so hard, and we would like to remind you that our classroom work time starts promptly at 9.00 am. This helps maintain the order of the classroom and helps to not distract the children that are working. We are strictly adhering to this work time schedule to ensure a longer work period for the children.
