

December 2021 Room 5: Ms. Gloria & Ms. Vivian

Phew... See how time has flown as year 2022 is right around the corner! Thank you to all for speaking with me during parent/teacher conferences.

Brrr.... Put your winter clothes on as we will be travelling to Antarctica to discover the penguins. I am certain everyone's favorite will be the Macaroni Penguin! The children will study about parts of a penguin and enjoy an art project.

Beat it...beat it...beat it...We will put our Rock & Roll shoes on to listen and "Moon dance" to Michael Jackson's music during December! The classroom walls will be adorned with holiday themed art. We will be making our own holiday tree and we will visit the "Holiday Shop" which will be conducted by our own FVM Elementary children. Our preschoolers will also have the option of purchasing small gift items for family members. More information will follow closer to the date. Ms. Veronica will teach a Spanish holiday song which will be singing for our show.

Please mark your calendar to watch your child participate in our annual holiday show on Thursday, December 16th. Please send your child to school in their holiday best. I recommend bringing all children on time so they can be ready for their show which will begin promptly at 9:15 am. It sure is going to be a fun event!

While thanking you for entrusting your child's education and growth with us, Ms. Vivian and I wish you all happy and safe holidays!

December birthdays: Timberland - 12/11 & Maika 12/12
